Traditional Irish Music

775-298-5050 :: ciana@cianamusic.com :: <http://www.cianamusic.com>

Since 2010, Ciana has performed tunes and songs from the Irish and Celtic tradition in the Carson Valley at the feet of the rugged Sierra Nevada mountains south of Reno. "Ciana" is an Irish word roughly meaning both "distance" and "time," which evokes the ancient expanse that defines western Nevada.

With their unique, energetic style, Ciana wades joyfully into the deep waters of Irish and Celtic music. They combine fiery instrumentals and musical tales of life, death, and love to create a performance that gets your blood pumping and feet stomping.

Ciana is a five piece band capable of performing as a trio or quartet, featuring:

Holly Sternberg	Fiddle (<i>2017 Nevada Grand Fiddle Champion</i>)
Tina Carlsen	Fiddle, vocals
Joe Bly	Flute, pennywhistle, bombarde, vocals
Kathy Bly	Guitar, Irish button box
Kathryn Oxoby	Bodhrán
